

## **Associate Vice President, Postsecondary Attainment**

The Arizona Board of Regents (board) is seeking a postsecondary attainment executive to support the board's oversight and governance of the Arizona University System educational outreach, interventions, policies, and operations that relate to postsecondary attainment.

Duties for this position include:

- Advising and assistance with setting the vision for the board's work to improve the postsecondary access and outcomes of Arizona students and families.
- Identifying, developing, and overseeing the implementation of key board initiatives related to postsecondary attainment. This includes understanding trends in the field, engaging industry experts and leaders, and mapping the board's strategy for achieving maximum impact.
- Working with Academic Affairs to identify and develop academic policies that could improve postsecondary attainment.
- Working with Government Affairs and Community relations to identify and develop legislative and engagement strategies to improve postsecondary attainment.
- Leading a tri-university group of relevant university senior staff to receive regular feedback and reporting related to the operationalizing of the board's attainment goals and policies.
- Administer or participate in special projects as directed by the Board Executive Director.

Minimum qualifications include a Bachelor's degree in in a related field plus five years progressively responsible experience in the related areas OR any equivalent combination of experience and/or education from which comparable knowledge, skills, and abilities have been achieved.

The ideal candidate will have the following:

- Significant leadership experience in a national organization, state agency/system or institution with a track record of improving postsecondary outcomes.
- Strong networks and relationships within the higher education space in Arizona and nationally, including those that work with both 2- and 4-year institutions.
- Deep issue expertise and hands-on experience in strategies for increasing postsecondary attainment.

- Demonstrated ability to work with policymakers to build understanding and support for postsecondary success strategies, and a honed understanding of what it takes to move ambitious agendas within the higher education space
- Extensive experience building and leading complex initiatives, including organizing and managing teams, developing and leveraging partnerships, and ensuring timely, high-quality deliverables.

Send cover letter, resume, names and telephone numbers of three work-related references to: [hr@azregents.edu](mailto:hr@azregents.edu) or ABOR • 2700 North Central, Suite 400 • Phoenix, Arizona 85004. Initial review of resumes will begin on June 27, 2022. Resumes will be accepted and be considered until the position is filled.
